# Brief Guideline Using ICBS Personal Center
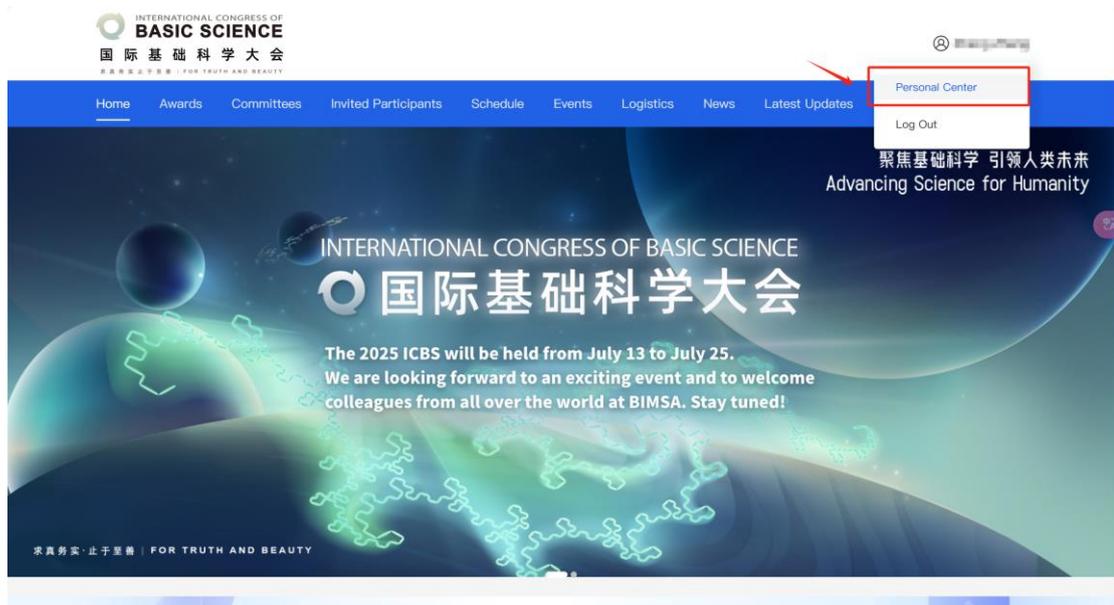

1. Enter official website: https://www.icbs.cn/, click Register/Login at the upper right corner.

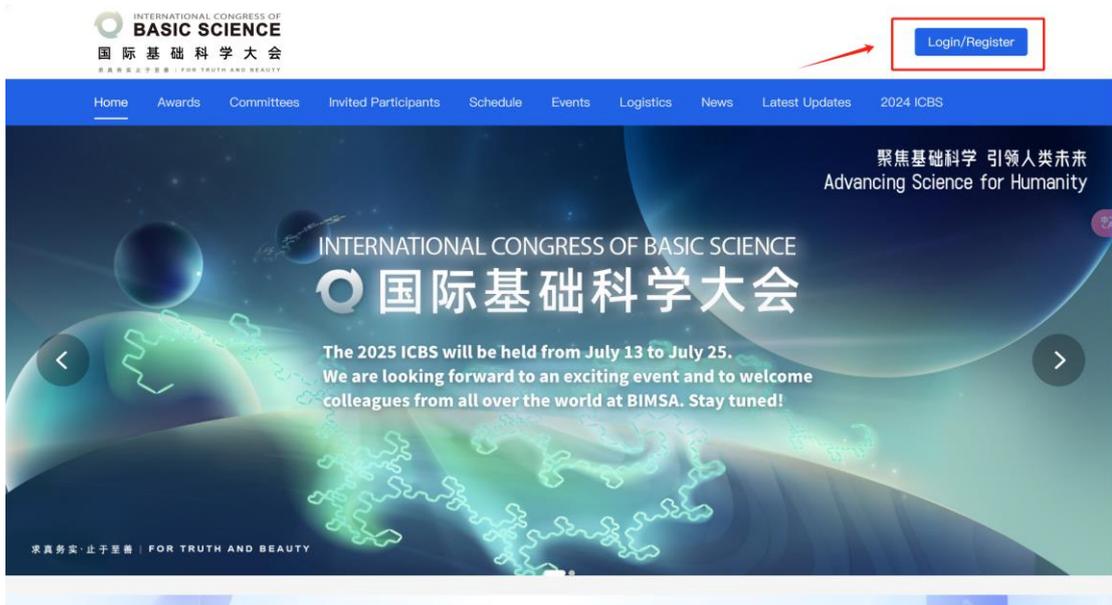

2. Select the Verification code to log in for the first time. You can login by your email address. After entering your email address, click "send the verification code". You will receive code in your email mailbox. You can use that code to login.
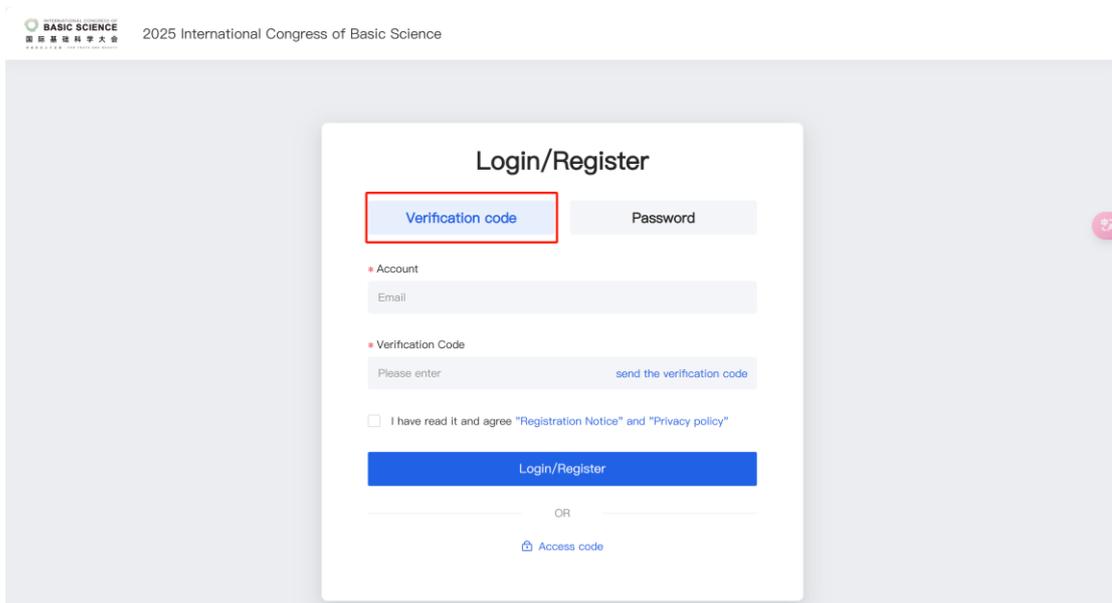

3. Enter Personal Center.

4. After entering the personal center, select "Account", and click "Edit" corresponding to Password on the left to set or modify your password.
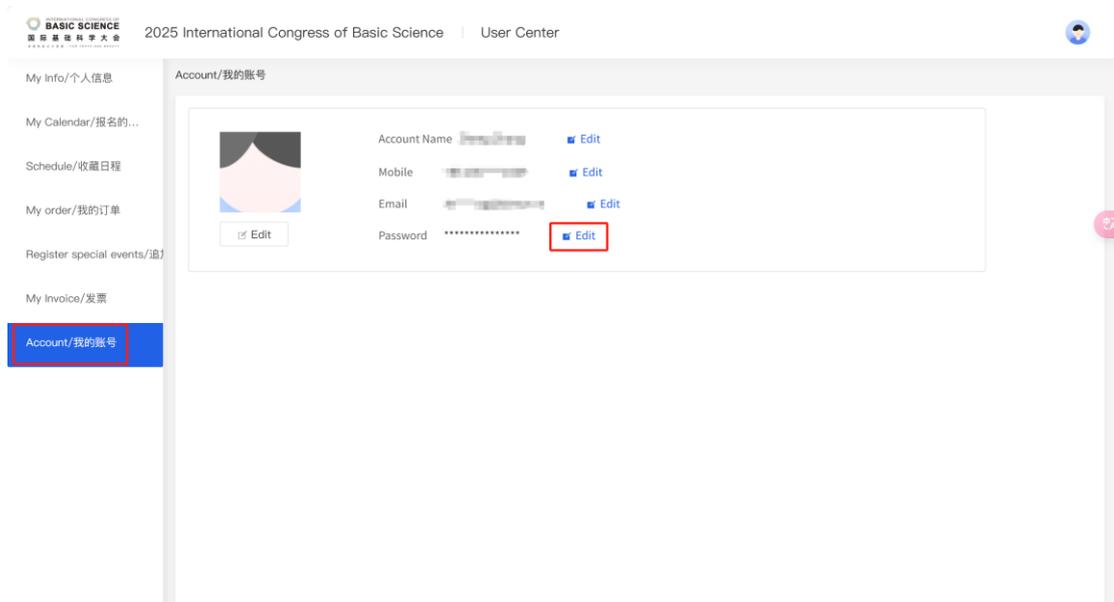

5. After modification, you can log in with your new password next time.
